It's not just an ATV, it's a way of life—and your customer's passion. Protecting it is ours.

## Coverage for custom parts and accessories

In addition to factory-installed original parts and equipment, Progressive's Custom Parts & Equipment/Accessory coverage protects a wide array of accessories and aftermarket parts.

## Accessories for all uses

There are many different uses for ATV/UTVs and just as many accessories. Ask how your customers are using their vehicles to find out what might have been installed to support their hunting, camping, trail riding, maintenance around the home, etc.

## Accessorize with peace of mind

Our Accessory coverage protects permanently attached after-market equipment against fire, theft, vandalism and collision. Up to \$3,000 of Accessory coverage is included with Physical Damage coverage with dollar-for-dollar, non-depreciated replacement cost. Coverage up to \$30,000 is available.
